Indian Springs has been conducting after-school golf programs for D-13 students for roughly 20 years.

Bussing is available from school to the golf course.

It is the parents' responsibility to pick up students from the golf course on time.

Please do not bring clubs to school.

Clubs may be stored in the clubhouse basement at parents' discretion.

Please label all clubs with student's name. (Address labels work well.) Loaner clubs are available.

Please have kids wear sneakers and dress in layers, as temperatures may be unpredictable.

Instruction provided by Indian Springs staff members. Middle schoolers and experienced elementary students can count on plenty of time on the golf course. Beginners do skill building on driving range, putting greens, and short-game course before progressing to golf course play.
