

SUMMER VOLUNTEERS

If you are between the ages of 12-18 and looking to fill your free time this summer, then consider joining the Library Volunteer Program. Volunteers work the Summer Reading Desk by helping patrons register and record books; handing out prizes; and performing other various jobs in a lively environment.

Summer Volunteers earn community service hours for their hard work, and celebrate together with their own special end-of-summer party. Volunteers who work at least six hours will receive a gift bag, water bottle, and ear buds.

Summer Volunteer Registration Starts Tuesday, May 31st.

Volunteers are needed to work at the Summer Reading Desk from **June 27th through August 6th.**

The Summer Volunteer Picnic is scheduled for **Friday, August 12th from 2-3pm.**
