August 2022

Welcome to John Lyman School!

John Lyman School is a child-centered community of learners that is dedicated to fostering a lifelong love of learning through active exploration of all curricular areas. Our goal is to provide a supportive, stimulating environment in which students learn to take responsibility for decision-making as well as for their own learning and behavior. John Lyman fosters an arts-integrated approach to learning in a democratic setting that celebrates the voice of every child. We strongly believe that the arts can support and enhance all subject areas and help to create more meaningful learning opportunities for our students.

The purpose of this handbook is to provide you with the information you need to know about John Lyman School and Regional School District 13. Please note the district mission statement that guides Region 13 in our efforts to provide a first-rate education for your child. Also included in the handbook are school hours, dismissal and cancellation procedures, details about breakfast and lunch programs, and a variety of other pertinent information. You will notice that our school rules are aligned with the district's Core Ethical Values. In addition, I would ask that you take the time to review the addendum at the end of the handbook. It contains a link to the Board of Education policies that we must share with you. It is important that students and their families become familiar with these policies.

At John Lyman, it is our belief that education is a partnership between home and school, and we hope that you will become active members of the Lyman community. We take great pride in our caring and dedicated staff. The Lyman staff always puts children first, and we are committed to helping your child succeed academically and socially. Our teachers work hard to foster open communication and to keep you informed about your child's progress. Likewise, we hope you will contact us when you have questions or concerns. Please do not hesitate to call or schedule an appointment with me at any time.

On behalf of the John Lyman staff, we are very excited about the upcoming school year. We look forward to working with you to ensure an outstanding educational experience for your child. I know that 2022-2023 will be a great year!

Sincerely,

Thomas D. Ford

REGIONAL SCHOOL DISTRICT 13's CORE ETHICAL VALUES

As a school community, we are committed to growing in good citizenship and personal integrity; thus, we are continually asking ourselves:

Am I showing **RESPECT** for

- myself
- the worth and rights of others
- the views of others
- personal, school and community property
- the environment

Am I accepting **RESPONSIBILITY** for

- my own actions and words
- my own welfare and the welfare of others
- my personal growth and learning
- making ethical choices

Am I practicing **HONESTY**

- with myself
- with others
- in my work

Am I showing **KINDNESS** by

- treating others the way I would want to be treated
- promoting the well-being of others
- being patient with myself and others
- acting with compassion

Am I showing **COURAGE** by

- standing up for moral principles
- persisting in the face of adversity
- being willing to accept challenges
- being true to myself

Respect, responsibility, honesty, kindness, and courage are the Core Ethical Values we strive to embrace and practice in Regional School District 13.

CODE OF CONDUCT

As a student in Regional School District 13, I...

1. treat others with courtesy, respect, fairness, and kindness.
2. am honest with other people and in my work.
3. obey teachers and other school staff members.
4. follow all school and classroom rules.
5. accept consequences for not doing what I should.
6. take care of my property, the property of others, and school property.
7. work, play, and move safely and appropriately.
8. cooperate when I work and play.
9. participate in my education to the best of my ability.

Being a good citizen means showing respect and being responsible. As a student, this means that I accept the consequences whenever I do not follow the rules. My behavior should not be disruptive to the school community whether I am in class, at recess, on the bus, on a field trip, or a part of any other school activity.

CODE OF DISCIPLINE

As we look at our Code of Conduct, let us remember that it represents behaviors that we expect from all of the students in Region 13. Every school in the district has established rules that are created as a result of this code. Consequences for infractions of school and classroom rules are usually age appropriate as established by each school. These are presented in the school handbook. When board policies or state laws are violated, consequences are more serious and are uniform throughout the district regardless of the age of the student.

Parents with any valid concerns regarding the bus company and/or bus drivers may contact the **Superintendent's Office at (860) 349-7200**. Your concerns will be recorded and appropriate actions will be taken.

CLASSROOM ASSIGNMENTS

The classroom placement process typically begins in May. Many factors are taken into account when determining where children are best placed. Balance between boys and girls, academic and social development stages, learning styles, and peer interactions, among other factors, are all considered. Our goal is to provide every student with a positive learning environment within a well-balanced classroom. Please understand that we do not accept requests for specific teachers.

DAILY ATTENDANCE CALL BACK SYSTEM – SCHOOL NURSE

With your child's safety in mind we have put a system in place to verify student absences:

1. If your child is to be absent on a given day, please **call the school nurse (349-7241)** between 8:20 and 8:50 am. You will be prompted to leave a message before 8:30. **Please do not call the school office.**
2. If a child is absent whose parent has not called, you will receive a ParentSquare message at 10:00 asking you to contact the nurse to verify the absence.
3. If no call is received the nurse will make a second attempt to call the phone numbers we have on file to seek an explanation of your child's whereabouts.

Please take time to review the district's Attendance Policy (5113) that can found on the district website or linked through our Student Handbook. The first nine (9) absences of the school year are considered excused with a phone call or note. Subsequent absences require further documentation. We also ask that you make every effort to have your child arrive on time to school each day.

ELECTRONIC DEVICES

The following electronic devices are not allowed to be used during school hours or on the bus: iPads, Kindles, cell phones, smart watches, and/or other personal devices.

FAMILY SHARES

“Family Share” is held periodically at John Lyman School. These events are opportunities for your child to invite you to the classroom and share work in progress as well as materials being used in the classroom. It is not a parent/teacher conference time, but rather an opportunity for parents to be better informed, by their child, about what is taking place in their child's classroom.

FIELD TRIPS

All John Lyman School field trips must adhere to Board of Education policies. In addition to the procedures and policies (#6153) spelled out on the district website, the following practices must be observed.

- Every child must have a signed permission slip for the field trip.
- **Field trips begin and end at the school.**
- **All students must ride the bus transportation provided to and from the field trip.**
- Siblings are not allowed to travel on field trips, either in cars or on the bus.
- Parents, without their children, may carpool if there are not enough seats on the bus.
- Field Trips are wonderful extensions of the classroom experience that integrate learning in various areas of the curriculum. They are, as well, a great responsibility. For this reason, there can be **NO EXCEPTIONS** to these practices.

---- CHAPERONES

There are often several opportunities during the year for parents to serve as chaperones on field trips. Classroom teachers appreciate and count on parents as chaperones to supervise students during travel to and from as well as at the field trip destinations. Guidelines for chaperones are as follows:

- Please be alert for potentially dangerous situations and disruptive or inappropriate behavior. We depend on you to be proactive and intervene **before** there is a major problem or ask us for help if you are not sure what to do.
- Always let us know if anyone gets hurt or feels sick and be sure we are informed of any problems that occur.
- As a chaperone, you need to accompany and be responsible for the children in your group at all times.
- Alcoholic beverages are **never** to be consumed on field trips.

FOOD-FREE CELEBRATIONS

John Lyman School is food-free for birthdays, holidays, and/or other celebrations. The only outside food that can be sent to school is for individual student lunches and snacks. For birthdays or other celebrations, you may send in non-food treats for the class, but we ask you to coordinate in advance with your child's classroom teacher.

HOMEWORK

John Lyman School believes that homework provides an important link between the school and home. It is a necessary part of the learning process. The purpose of homework is to reinforce learning that has taken place at school, practice skills, extend knowledge, or work on projects that cannot be done in class. Homework should be developmentally appropriate and geared to individual student growth.

---- RESPONSIBILITIES

Teachers are expected to:

- make clear the worth and purpose of homework to students and parents.
- make assignments developmentally and educationally appropriate.
- make assignments meaningful and pertinent to the curriculum.
- review, evaluate, and/or extend assignments as is appropriate to the content and purpose.

- provide parents with general information and evaluation of their child's progress in meeting his or her responsibilities in regard to homework completion.
- share any concerns with students and parents.

Students are expected to:

- listen carefully to all directions about assignments and ask for clarification if necessary.
- complete assignments independently to the best of their ability.
- return assignments to school on time.
- accept responsibility for the completion of all assignments to the best of their ability.
- seek help when difficulties arise.
- take the initiative to make up for missed work.

Parents are expected to:

- help their child to choose an appropriate place to study.
- help their child with time management.
- assist with homework only as is appropriate to the assignment and/or developmental level of their child.
- support their child's completion of homework.
- give feedback to the classroom teacher as appropriate.

School administrators are expected to:

- periodically meet with teachers to ensure the successful implementation of this policy.

----- HOMEWORK CONTENT

Homework, when given, will be based on individual student and curriculum needs. The kind of homework assigned, and the purpose of an activity required, has a direct relationship to the nature of the content and the age, maturity and educational needs of the student. All assignments should contribute to the learning process. Whenever possible, homework should stimulate critical and creative thinking. Homework should be varied in subject areas and encompass both long and short-term assignments.

As a school community we encourage parents to provide frequent reading opportunities for their children in addition to specific homework assignments. This can take on many formats including the following:

- parent reading to the child.
- child reading to a parent.
- child reading to another family member.
- child reading silently to herself or himself.

----- TIME AND FREQUENCY GUIDELINES

Students progress and work at different rates of speed. Therefore, it is difficult to assess the amount of time that should be devoted to completing homework. The following are meant to be guidelines only:

Grades one and two:

- Students in grades one and two will usually have homework assignments that will require between 10 and 20 minutes to complete. The frequency of these assignments will be left to the teacher's discretion usually not to exceed three times per week.

Grades three and four:

- Students in grades three and four will usually have homework assignments that will require between 20 and 40 minutes to complete. The frequency of these assignments will be left to the teacher's discretion usually not to exceed 3-5 times per week.

Please note that homework assignments may vary by teacher and grade level. Teachers will communicate expectations for assignments that are to be completed at home.

LATE ARRIVAL

Students should arrive at school between 8:30am and 8:45am to be in their classrooms ready for the start of the day at 8:50am. If your child arrives at school after 8:50am, please walk him or her to the main entrance. The office will note the arrival time and buzz the door open for the child to enter.

LIBRARY PROGRAM

All students are permitted to borrow school library books. Children are asked to take proper care of the books, understanding that payment must be made in the case of loss or damage.

In addition, all children are encouraged to register at the public library for their own free library card.

LOST and FOUND

Lost and Found articles are located in a plastic bin near the main office. Unclaimed articles are donated to charity periodically.

LUNCH AND BREAKFAST INFORMATION

John Lyman School offers breakfast and lunch each day. Please refer to the RSD13 website for more information regarding our school breakfast and lunch. [Menus](#)

Free and Reduced Lunch Information

Students residing in households with income at or below the Income Guidelines for Child Nutrition Programs are eligible for free or reduced-price meals or free milk. The application form and instructions are available below, on the RSD 13 website and in the John Lyman School office. To apply for free or reduced-price meals, households should fill out the application and return it to any RSD 13 school. Only one application is required per household and an application for free or reduced-price benefits cannot be approved unless it contains complete eligibility information as indicated on the application and instructions.

*****Special Notice for School Year 2022-2023*****

During the transition back to normal school operations in school year 2022-23, Regional School District 13 has opted into the **School Meals Assistance Revenue for Transition (SMART)** funds providing meals (breakfast and lunch) at no cost for all students at the beginning of the school year.

Please note that meals at no cost to all students are unlikely to last all year and are subject to the availability of district funds. Since the availability of meals at no cost will expire when all funds have been expended, it is critical that eligible households submit a free and reduced-price meal application as soon as possible to determine a student's eligibility for this school year. We anticipate the funds to last up to three months.

The eligibility information and application are attached below and are available at John Lyman School office. Please make every effort to submit your application as soon as possible and return to your student's school. Additional documents are attached for more information. Please see below:

MEDICAL/EMERGENCY INFORMATION

Emergency information must be updated annually as well as any time the information (home phone, cell phone, e-mail, job, medical information, etc.) changes. Please log into your PowerSchool account to update your child's demographic and emergency contact information.

---- EPINEPHRINE ADMINISTRATION

An important note Regarding Administration of Epinephrine at Public Schools:

Effective July 1, 2014, Public Act 14-176 (An Act concerning the Storage and Administration of epinephrine at Public Schools) amended the law to include the administration of epinephrine as emergency first aid to students experiencing allergic reactions, not previously diagnosed, by qualified unlicensed personnel who are trained annually in the administration of epinephrine. **This Act applies only during the absence of a school nurse, on school grounds, during regular school hours.**

Please notify the school nurse and medical advisor in writing annually if you do not wish your child to receive epinephrine as emergency first aid by qualified school personnel in the absence of a school nurse. This opt-out will not apply when the nurse is available or to students with known, diagnosed allergies with existing orders.

---- ILLNESS

If a student should become ill during the school day, the school nurse will notify the parent to pick up the child. If the nurse is unable to reach a parent, the emergency contacts you provided on your PowerSchool Parent Portal will be called to pick up your child.

School nurses follow state guidelines of first aid care for accidents. If a serious accident occurs and parents or alternate persons cannot be reached, the student, accompanied by a John Lyman staff member, will be taken to Middlesex Memorial Hospital unless otherwise indicated on the emergency card.

---- ADMINISTERING MEDICATIONS

Children rarely need to take medications at school. However, should the need arise, you must be familiar with the school's procedures.

Children cannot self-administer any medication. Additionally, children should not carry hand sanitizers. Parents are urged to help make the school a safe environment for your child. This is a state law and must be followed for the safety and protection of our children.

Do not send the medication in with your child. Medication should be delivered to the school **by the parent** in the original, labeled bottle with enough medication for the length of time the medication is required. . All medications are kept secure in the nurse's office. A record of the times the school has administered the medication is kept in the student's health file.

Before the school can administer any prescribed or over the counter medications (Tylenol, Tylenol substitutes, cold/cough medications, etc.) The [Authorization for the Administration of Medication](#) must be signed by both you and your child's physician.

---- HEAD AND SCALP EXAMINATIONS

Pediculosis (head lice) exams are given to individual students as circumstances warrant. If a problem exists with any student, the parent will be notified by phone, the student will be excused, and information about the treatment requirements will be provided. Head lice are transmitted through close personal contact. There is no immunity, so it is important to check your child periodically. Please encourage your child not to share hats, combs, or hair accessories. It is helpful if you notify the school if your child does have head lice.

OUTSIDE RECESS

Recess is held outside each day weather conditions permit. Please make sure your child is equipped with warm clothing for the playground. Only a doctor's note for unusual circumstances will excuse a child from outside recess.

PARTY INFORMATION (OUTSIDE OF SCHOOL)

You are encouraged to schedule parties on weekends, rather than after school, especially if all students in a class (i.e. all girls, all boys) are not invited. Outside of school party invitations **will not** be distributed in school.

PETS

Children frequently want to share their pets with their classmates. However, pets may **NOT** be brought into school during the school year. This practice has been in effect for several years for a variety of reasons. The number of students who have allergies to pets has increased significantly. In addition, there are students who are frightened by animals. Finally, pets are frequently frightened by the high-pitched voices of large groups of excited children in enclosed places!

PHYSICAL EDUCATION

All children have P.E. one day a week. Sneakers or rubber-soled shoes **must** be worn. It is recommended that students wear pants or shorts for P.E. and long hair should be tied back.

PLANNING AND PLACEMENT TEAM (PPT)

The Planning and Placement Team is designed to provide a means of communication and decision-making at the school level concerning the effective use of resources within the school to help pupils with special needs. It is also responsible for follow-up and periodic review of all pupils with Special Education programs. The team is typically comprised of the following people: Parent(s), Classroom Teacher, Special Education Teacher, Principal, Speech/Language Pathologist, Social Worker, and School Psychologist.

PROGRESS REPORTS AND CONFERENCES

Teachers complete progress reports three times a year (December, March, and June). Parents will receive their child's Progress Reports as a secure document through our ParentSquare communication system.

Parent-teacher conferences are held in October and March. The March conference for second, third, and fourth graders is a family conference led by the learner.

SAFETY AND SECURITY

Exterior doors are locked at all times and parents/visitors must buzz in at the main entrance using the call button.

We hold safety drills with staff and students on a monthly basis to practice district emergency response protocols.

SCHOOL CANCELLATION, LATE OPENING, OR EARLY DISMISSAL

In cases of storms or storm warnings, school will occasionally start late or be canceled. When there is a late opening, the buses will be later than usual. Regional District 13 uses ParentSquare to let you know about school closings, delays and emergencies. More information about that system will be forthcoming at the beginning of the school year. However, having your latest contact information is the only way to ensure that we can contact you in an emergency. Please be sure to update your child's information in the PowerSchool Parent Portal. School closings and delays will still be listed on TV and on the radio.

SCHOOL HOURS

Full Day: 8:50 a.m. - 3:20p.m.

Early Dismissal Scheduled and Weather Related: 8:50 a.m. – 12:30 p.m.

2 Hour Delayed Opening: 10:50 a.m. - 3:20 p.m.

ADDENDUM - RSD 13 BOARD OF EDUCATION POLICIES

Regional School District 13's policies are updated periodically. It is very important that you read these policies carefully and discuss the significant and appropriate issues with your child. Depending upon your child's age, some policies may need to be briefly explained at a more simple level. This fall, classroom teachers and administrators will also review, briefly, the major aspects of these policies as they relate to the development of classroom and school rules.

Please carefully read and review the 2022-2023 Board of Education the policies section of the district website by clicking the the following link: [RSD13 Board of Education Policies](#)
